

# JOIN OUR AMBLER ACCESS PROJECT AMBASSADOR PROGRAM

Are you a reliable individual looking for a chance to make a difference right in your own backyard? Looking to make extra money?  
Become a force for change in your local community by joining our Ambler Access Project Ambassador Program.

**Community Advocate:** As a local ambassador or intern for the Ambler Access Project, you'll help share information about a vital infrastructure development project in your area. Your voice will shape the project's future, ensuring it aligns with your community's needs and values.

**Gain Experience:** Gain hands-on experience that will set you apart in your career journey. Develop essential skills in information gathering, event coordination, and advocacy, all while adding real-world projects to your resume.

**Earn Money:** Our internship is paid, ensuring you're compensated for your time (\$250-\$500/monthly).

**Promotional Giveaways:** Coordinate exciting giveaways and promotions to engage your community. You get to be the source of enthusiasm and motivation behind project support.

**Community Engagement:** Connect with fellow community members, local leaders, and stakeholders. Learn to foster valuable relationships and become a trusted resource for project information.

**Impact Your Community:** Your efforts will leave a lasting legacy, resulting in positive change that will benefit your community for generations.

**Learning Opportunities:** You'll receive access to valuable resources, mentorship, and training to help you excel in your role and future career endeavors.

## Ready to take your community involvement to the next level?

**Apply Today:** Join our mission to empower local communities through responsible resource development. Together, we can create a brighter, more prosperous future. Email your interest to [info@ambleraccess.org](mailto:info@ambleraccess.org) or call (907) 519-7782.

**Learn More:** Visit our website at [www.ambleraccess.org](http://www.ambleraccess.org) to find out how you can become a local advocate for the Ambler Access Project.
