

# Ambler Access Project

## Stakeholder Engagement Update

November 14, 2023

Greetings,

The Ambler Access Project (AAP) would like to continue encouraging Alaskans to attend the upcoming public meetings for the draft Supplemental Environmental Impact Statement (SEIS).

An updated schedule has been released.

- Allakaket, Monday November 14, 7pm Community Hall
- Selawik, new date to-be-determined (TBD)
- Ambler, Wednesday November 15, 7pm, Ambler School Gym
- Shungnak, Thursday November 16, 7pm, Shungnak School
- Kobuk, Monday November 20, 7pm Kobuk School Gym
- Huslia, Thursday December 7, 7pm Multi-purpose Building
- **Anchorage, Wednesday December 13, location TBD**
- Alatna, Thursday December 14, 7pm Tribal Office

Please support the project, and attend a public meeting. The BLM needs to hear how the draft SEIS overstates the potential project impacts and does not represent the numerous benefits the project will provide for individuals, communities of the region, and Alaska overall.

Please contact us with any questions at [info@ambleraccess.org](mailto:info@ambleraccess.org) or (907) 519-7782.

Thank you for your support!
